

TAMS Annual Board Meeting Minutes 1-20-2021

Meeting was called to order by Dan S. at 7:06 p.m.

1. October Meeting Minutes
10-14-2020 meeting minutes were approved. Dan S. motioned, Laura S. seconded.
2. Treasurer's Report
Jen P. stated that the balance in the TAMS account is \$9901.69. Paid Clay Hickman \$156 for website management, split cost with MSLID. 2021 dues expected first quarter of 2021.
3. MSLID Update - Doug L.
MSLID meeting was held 1/16/2021. Limnopro has been chosen to manage lake. All input will be given to Dan of Limnopro. The lake survey has not been completed, as Gene M. is compiling information and MSLID will help decide how Limnopro will use this information. Bays were discussed, one time treatment was successful in 2019, but more than one treatment can be administered. Each year's success depends on environment and lake conditions. Possible chemicals to use was discussed, expensive vs. inexpensive compared, and success per Dan of Limnopro. Also discussed was the timeline for lake improvement, it will take 5-10 years to accomplish positives on the lake. Curly leaf is tough, expanding acreage was discussed, reaching out to DNR for future possibilities. Doug L. checked Limnopro references, they were very positive, with expected ups and downs of lake environments, yet references voiced their respect and confidence in Dan and Limnopro. Discussed process to get input from homeowners: treat sooner in spring 2021, treat both lakes not just Mink, Limnopro goes through DNR and fisheries, unlike other treatment companies, permits to treat are on target in 2021, Diquat is preferable to other chemicals due to success and other chemicals are four times more expensive. Dan from Limnopro will be presenting plans for lakes in the near future. Information will then be put on website and communicated to lake homeowners.
4. Old Business
Welcome Wagon - in February materials will be put together, and emailed in a .pdf format to board members. Sandy B. will present in February, with execution planned in the spring. Will discuss how it will be executed, in person vs. mailing. Board decided to focus on new residents then proceed to everyone else.

Cookbook - discuss cookbook when Welcome Wagon and apparel are ready to go. Can begin asking for recipes in the next newsletter and FB in the spring.

Apparel - Laura S. shared vendors who could do apparel for TAMS. Board agreed to have Laura contact Annandale Apparel and get shape of lakes as logo. This will support local businesses.
5. New Business
TAMS Membership mailing will go out end of January, discussed incentive to sign up, MN Lakes & Rivers table until February meeting, set 2021 meeting dates, March Ice Clean Up is Saturday, March 6, 2021, promote on website, and social media. TAMS Picnic is Saturday, August 7, 2021, July Boat Parade is Sunday, July 4, 2021. Holiday Light Decoration Contest, start advertising in the spring. MSLID Partnership still on the table to be decided as needed. Discussed helping if aeration is needed this year.

Meeting was adjourned at 8:13 p.m. by Jen P., seconded by Laura S.
