

January 23, 2023 MSLID meeting notes

Call to order at 8:34 am

In attendance: Greg, Doug, Steve, Dylan. Absent: Amy

Also in attendance: Dan M. from Limnopro

Discussed November meeting notes. Motion to approve by Doug, 2nd by Steve. Motion approved

Treasurer's report

November 1st balance: \$14,889.44

November income: \$12,798.89 from property taxes

November expenses: \$202.00. Wright county service fee and storage rental

November 30th balance: \$27,486.33

December 1st balance: \$27,486.33

December income: \$0

December expenses: \$844.00. Wright Hennepin electric for power outlets, Wright county service fee, storage rental

December 31st balance: \$26,642.33

Motion to approve November and December treasurer's report by Doug, 2nd by Dylan. Motion approved

Doug reported on lake oxygen levels from the DNR. As of early January, the O2 level was 12. No aeration needed yet but we are ready if/when needed

Dan from Limnopro talked through our options for 2023 with inflow nutrient study.

In 2022, Limnopro was only able to get limited inflow testing due to the lack of inflow due to the lack rain.

We could take that limited data and Limnopro could model it and create a report

Or we could continue inflow nutrient testing in 2023 assuming we'll get more regular rain and get a more accurate report.

Motion to have Limnopro continue inflow nutrient testing in 2023 made by Dylan, 2nd by Doug. Motion approved

Dan will also solicit the DNR for a Lake Vegetation Management Plan and variance to the 15% littoral area weed treatment due to the huge problem with Coon tail.

Should the DNR provide such variance, (per Dan, earliest would be 2024) we need to be ready with a plan and additional areas we would want to treat. This will be a topic for our February meeting

Steve noticed that the cattails are encroaching on the landing.

Greg will follow up with the DNR to see what can be done.

Motion to adjourn meeting by Dylan, 2nd by Steve. Motion Approved at 9:30 am

Next meeting 2/18/23 at 8:30 am at Corinna Township Hall.
