

TAMS TIMES

SPRING ADDITION 2023

2022 TAMS PICNIC

We had a wonderful turn out for our 2022 annual picnic.

Both new and current homeowners and their families attended. We had a huge amount of food provided by both TAMS and everyone who attended. So much fun!

BIG THANK YOU!

Huge thank you to our hosts and everyone who helped put this together. It is so much fun to see everyone working together to make this such a huge success! We really do live in a wonderful community!

2023 TAMS PICNIC

LOOKING FOR THIS YEAR'S LOCATION!

If you are interested in hosting this year's annual picnic location, please reach out to a TAMS or LID member. Everything is provided!

(Even a mini biff.)

WINTER STORM 2023

We are so blessed to have so many neighbors here on the lake that are willing and available to help when the going gets tough. The road was completely impassable and a few vehicles were completely stuck. A huge thank you to all involved. It takes a village to keep us safe!

NEW MEMBERSHIP OPTIONS FOR PAYMENT AND CHANGES TO MEMBERSHIP DUE DATES.

TAMS has decided to change the date that we pay our dues. They will be due May 1st each year. They were usually due much earlier in the year. However, so many of us are not into "LAKE" mode until late spring and then we forget about them. This should keep it fresh in our minds! We are also adding a late fee of \$10 for anyone that pays after the due date that would like their name on the sign board. (Dates are listed on the membership form). We have limited time to process and update our address database and signboards. Moving forward, this should give us more time to work on other fun ideas. Thank you for your understanding.

**(This will not apply to new homeowners)*

tamlakeinfo@gmail.com

A **HUGE** thank you for the daily work from Daren Braun & Pete Zielsdorf. This project could not have been successful without your help.

The LID was working closely with the DNR and it was decided on February 13, 2023 that we needed to put to use our aeration equipment. This by no means is an easy task. Our amazing homeowners once again pulled together and installed two aeration devices on each lake. This meant we needed a few people to constantly tend and verify up close that everything was working and safe. It could not have happened without our amazing volunteers!

Tams Apparel Available

We are currently working on getting photos of merchandise set up online @ minksomers.org. We have several items available now, and can order special sizes by request. Contact TAMS @ tamlakeinfo@gmail.com with your request and we will contact you with details for your order. Moving forward we will also have an online PayPal payment option for most of your needs. This is a work in progress and we are excited to bring these new options to our members!
