Community Members present:

Call to order at 6:16pm by Gail

Team check in: all ok

Minute approval by Diane, 2nd by Kathleen

Treasures Report: did not get a clear answer of a balance at this time.

Open Business

South Somers name board – Gail will reach out to residents on 75th. IF only 3 residents want a name board it is probably not worth the time or money to put one up.

Picnic – was well attended this year. Notes are made for next year's resources. (Food and equipment order details) Also have offers from 4 families to host next year.

Apparel – sales were great !! Orders can also be place on our website and Facebook.

Agenda Additions

Fall / Winter ideas (candles, kites, golf) Gail checked into candle making class: for 25 people with a \$25 candle price would be \$624 plus a \$100 travel fee totaling \$725 if paying cash or venom. Tax would be added if paid by check....

Diane is checking with Guy on setting up kites/golf this winter.

Bank take over challenges? None so far

Annual meeting – why/why not October? Interested in going back to an August meeting but concerned about how much time it will take adding to the LID meeting along with setting up for the picnic after meetings. Will decide by our October meeting to change it in the bylaws.

Meeting adjourned at 7:09 by Diane and Kathleen

Next Meeting _____ (Will set up depending on candle making dates)
